Honorable Rebecca Cohn, Ret.  
2128 Vizcaya Way  
Campbell, CA 95008

Dear Rebecca:

This is to confirm my whole hearted endorsement of your candidacy for First Year Representative at UC Davis School of Law.

As the former Assistant Majority Leader of the State Legislature and Chair of the Assembly Health Committee, I can think of no better way for you to squander your skills and experience.

Clearly, you have your hand on the pulse of American political thought. In recent history, Ronald Reagan was the first President to be elected at the age of seventy-two. Now Senator John McCain, at seventy-six, has his sights squarely set on Reagan's record. Your election as First Year Rep is wholly in line with this American trend.

You will bring much to your first year class as their Representative. You may even bring back some of the styles and fashion of the '60s.

More than any other contribution you make as First Year Rep, you will serve as first hand evidence to your classmates that life is what you make of it. I am very proud of you. It is not easy to start law school at your stage in life. As a Thirty Two year Alum of King Hall, I don't think I could muster the energy to do what you have accomplished, let alone score as high on the LSAT as you did. You are one tough "Broad".

Good luck to your competitors. I look forward to your success in law school. Let me know if you need an endorsement from the Governor.

Kindest Regards,
